The Group is pleased to announce that total Group sales are up 11% for the six months ended 30 June 2018 relative to the same period last year. On a constant currency basis, total Group sales are 15% up on last year.

We are delighted with the positive start to the year with strong progress in both our ceramic and home fragrance divisions. With the seasonal weighting of our business, trading in the second half of the year remains important to the Group.
